CULINARY

We've perfected a 21 day menu of comforting, wholesome food that we serve with genuine hospitality.

We work with each client to craft a meal plan best suited for the specifics of the deployment and can cater to any requirements.

STAFFING

Decades of culinary, hospitality, and business operations experience. Our food service team consistently receives customer accolades.

We can deploy with qualified food service professionals and deployment specialists on short notice.

RAPID RESPONSE

Extensive kitchen, dining, operations, and transport infrastructure ready to deploy. Proven rapid response deployment model.

We are positioned to quickly deploy throughout the US with our Southeast HQ and satellite locations, including Puerto Rico.
